 **bushboard**  
WASHROOMS THAT WORK

\*Free lunch is up to the value of £5 per person to be arranged by the practice and we will reimburse you.

In-person or remote delivery with free lunch for attendees\*

### The presentation takes the specifier through:

- **Department for Education Guidance** for school washrooms.
- **Appropriate material specification** and fittings for school washrooms.
- Which **cubicle heights/styles** should be specified depending on age groups.
- **Privacy requirements** - specifically in senior schools to prevent anti-social behaviour.
- **Ducting** – pre-plumbed, styles and access options.
- **Hand wash facilities** – vanity units and washtroughs.
- **Sanitaryware and brassware** - water saving and hygiene.
- General **safety and accessibility** awareness.
- **Building Regulations** including DOC M and Changing Places.
